Statutory Auditors' report on the share capital decrease

Combined Shareholders' Meeting of June 11, 2025 – 21st resolution

This is a free translation into English of the Statutory Auditors' report issued in French and is provided solely for the convenience of English-speaking readers. This report should be read in conjunction and construed in accordance with French law and professional auditing standards applicable in France.

To the Shareholders,

In our capacity as Statutory Auditors of your Company and in accordance with the procedures set forth in Article L.22-10-62 of the French Commercial Code (*code de commerce*) in the event of a share capital decrease by cancelation of shares purchased, we hereby report to you on our assessment of the reasons for and the terms and conditions of the proposed share capital decrease.

Your Board of Directors proposes that shareholders delegate to it, for a period of 18 months from the date of this Shareholders' Meeting, full powers to cancel, on one or more occasions, up to a maximum of 10% of the share capital per 24-month period, the shares purchased by the Company pursuant to the authorization to purchase its own shares under the provisions of the aforementioned article.

We performed the procedures that we deemed necessary in accordance with the professional guidelines of the French National Institute of Statutory Auditors (*Compagnie Nationale des Commissaires aux Comptes*) relating to this engagement. These procedures consisted in verifying the fairness of the reasons for and the terms and conditions of the proposed share capital decrease, which does not undermine shareholder equality.

We have nothing to report on the reasons for and the terms and conditions of the proposed share capital decrease.

The Statutory Auditors,
