To the Shareholders,

In our capacity as Statutory Auditors of your Company (the "Company") and in accordance with the procedures set forth in Articles L.228-92 and L.225-135 *et seq.* of the French Commercial Code (*code de commerce*), we hereby report to you on the proposed delegation of authority to the Board of Directors to decide the issue, with cancelation of preferential subscription rights, of share subscription warrants ("BSA"), subscription and/or purchase warrants for new and/or existing shares ("BSAANE") and/or redeemable subscription and/or purchase warrants for new and/or existing shares ("BSAAR"), reserved for corporate officers, members of the scientific committee and employees of the Company, as well as persons bound by a services or consulting agreement to the Company or French or non-French companies affiliated to it within the meaning of Article L.225-180 of the French Commercial Code, a transaction on which you are asked to vote.

The par value amount of share capital increases that may be carried out in the future may not exceed 0.5% of the share capital as of the date of the Board of Directors' grant decision. This ceiling will be increased, where applicable, by the par value of the ordinary shares to be issued to preserve, in accordance with the law and, where applicable, contractual stipulations providing for other adjustments, the rights of holders of BSA, BSAANE and/or BSAAR. This ceiling is independent of the ceilings provided for in other resolutions of this Shareholders' Meeting.

Based on its report, your Board of Directors proposes that shareholders delegate to it, for a period of 18 months from the date of this Shareholders' Meeting, the authority to decide an issue and cancel your preferential subscription rights to the marketable securities to be issued. Where necessary, the Board will set the final issue terms and conditions of this transaction.

It is the responsibility of the Board of Directors to prepare a report in accordance with Articles R. 225-113 *et seq.* of the French Commercial Code. Our role is to express an opinion on the fairness of the quantified data extracted from the accounts, on the proposed cancellation of preferential subscription rights, and on certain other information concerning the issue, contained in this report.

We performed the procedures that we deemed necessary in accordance with the professional guidelines of the French National Institute of Statutory Auditors (*Compagnie Nationale des Commissaires aux Comptes*) relating to this engagement. These procedures consisted in
