This report should be read in conjunction and construed in accordance with French law and professional auditing standards applicable in France.

To the DBV Technologies Shareholders' Meeting,

In our capacity as statutory auditors of your company (the "Company"), and in accordance with the procedures set forth in Articles L. 228-92 and L. 225-135 et seq. of the French Commercial Code (*code de commerce*), we hereby present our report on the proposed delegation of authority to the Board of Directors to decide the issue of ordinary shares or marketable securities giving access to equity securities to be issued by the Company, with cancellation of preferential subscription rights, reserved for members of one or more company or group savings plans established by the Company and/or French or non-French companies affiliated to it under the conditions set out in Article L. 225-180 of the French Commercial Code and Article L. 3344-1 of the French Labor Code (*code du travail*), a transaction on which you are asked to vote.

The overall par value amount of share capital increases that may be carried out in the future may not exceed 2% of the share capital as of the date of this Shareholders' Meeting.

Shareholders are asked to approve this issue pursuant to Article L. 225-129-6 of the French Commercial Code and Articles L. 3332-18 et seq. of the French Labor Code.

Based on its report, your Board of Directors proposes that shareholders delegate to it, for a period of 26 months from this Meeting, the authority to decide an issue and cancel your preferential subscription rights to the ordinary shares and marketable securities to be issued. Where necessary, the Board will set the final issue terms and conditions of this transaction.

It is the responsibility of the Board of Directors to prepare a report in accordance with Articles R. 225-113 et seq. of the French Commercial Code. Our role is to express an opinion on the fair presentation of the quantified information extracted from the financial statements, on the proposed cancellation of preferential subscription rights, and on certain other information relating to the issue contained in this report.

We performed the procedures that we deemed necessary in accordance with the professional guidelines of the French National Institute of Statutory Auditors (Compagnie Nationale des Commissaires aux Comptes) relating to this engagement. These procedures consisted in verifying the content of the Board of Directors' report relating to this transaction and the methods used to determine the issue price of equity securities to be issued.

Subject to a subsequent review of the terms and conditions of the issue that may be decided, we have no comments to make on the methods used to determine the issue price of the equity securities to be issued, as presented in the Board of Directors' report

Rapport des commissaires aux comptes
sur l'émission d'actions ordinaires et/ou de valeurs mobilières donnant accès au
capital réservée

aux adhérents d'un plan d'épargne d'entreprise

As the final terms and conditions of the issue have not been determined, we do not express an opinion thereon and, as such, on the proposed cancelation of preferential subscription rights.

In accordance with Article R.225-116 of the French Commercial Code, we will issue a supplementary report, if necessary, should this delegation be used by your Board of Directors.
