Combined Shareholders' Meeting of May 24, 2019

25th resolution

This is a free translation into English of a report issued in the French language and is provided solely for the convenience of English-speaking readers. This report should be read in conjunction and construed in accordance with French law and professional auditing standards applicable in France.

To the Shareholders' Meeting of DBV Technologies,

As Statutory Auditors of your Company and in accordance with the procedures set forth in Articles L. 228-92 and L. 225-135 of the French Commercial Code (*Code de commerce*), we hereby report to you on the proposed delegation of authority to the Board of Directors to decide the issue, with cancellation of preferential subscription rights, of share subscription warrants (BSA), subscription and/or purchase warrants for new and/or existing shares (BSAANE) and redeemable subscription and/or purchase warrants for new and/or existing shares (BSAAR), reserved for corporate officers, members of the scientific committee and employees of your Company, as well as persons bound by a services or consulting agreement to your Company or its French or foreign affiliates within the meaning of Article L. 225-180 of the French Commercial Code, up to a maximum amount of 0.5% of the share capital on the date of this Shareholders' Meeting, a transaction on which you are asked to vote.

Based on its report, your Board of Directors proposes that shareholders delegate to it, for a period of 18 months, the authority to decide an issue and cancel your preferential subscription rights to the marketable securities to be issued. Where necessary, the Board will set the final issue terms and conditions of this transaction.

It is the responsibility of the Board of Directors to prepare a report in accordance with Articles R. 225-113 *et seq.* of the French Commercial Code. Our role is to express an opinion on the fair presentation of the quantified information extracted from the financial statements, on the proposed cancellation of preferential subscription rights and on certain other information concerning the issue, contained in this report.

We performed the procedures that we deemed necessary in accordance with the professional guidelines of the French National Institute of Statutory Auditors (*Compagnie Nationale des Commissaires aux Comptes*) relating to this engagement. These procedures mainly consisted in verifying the content of the Board of Directors' report relating to this transaction and the methods used to determine the issue price of equity securities to be issued.

Subject to a subsequent review of the terms and conditions of the proposed issue, we have no comments on the terms and conditions governing the determination of the issue price of equity securities to be issued presented in the Board of Directors' report.

As the final terms and conditions of the issue have not been determined, we do not express an opinion thereon and, as such, on the proposed cancellation of preferential subscription rights.

In accordance with Article R. 225-116 of the French Commercial Code, we will issue a supplementary report, if necessary, should this delegation be used by your Board of Directors.
